

NUR MOHAMMAD CHOWDHURY

Frontend developer

OBJECTIVES

As a web developer, my objective is to leverage my technical skills and passion for coding to contribute to the development of innovative web applications. I am experienced with a professional team work environment and want to work with experienced developers where I can learn and grow as a professional while delivering high-quality solutions to clients.

SKILLS

Front-end - HTML5 | CSS3 | JavaScript | React.js | React router | Next.js

Tailwind | Bootstrap | JWT | RESTful API | Firebase

Back-end - Node.js | Express.js | MongoDB | Mongoose

Familiar - VS code | GitHub | Figma | Chrome Dev tool

Vercel | Netlify
